

Aetna VisionSM Discount Program

The Aetna Vision discount program helps members save on eyeglasses, sunglasses, contact lenses and solutions, LASIK and more. Best of all, it's automatically included with any Aetna health benefits plan and health insurance plan, so your customers don't pay any extra to get the program.

We've contracted with EyeMed Vision Care to bring your customers a broad network of eye care providers including Pearle Vision[®], Lenscrafters[®], JCPenney[®] Optical, Target Optical[®] and participating Sears Optical[®] locations. In addition, thousands of independent eye care providers are available. Most participating locations have doctors of optometry practicing right on the premises or at a nearby location.

To find a provider:

- Log in to Aetna Navigator and go to Find Health Care. Search for "vision locations."

or

- Call EyeMed Customer Service (1-800-793-8616).

How it works:

- Select any participating optical center or professional.
- To receive your discounts, show your Aetna member ID when you receive care or purchase eye care products.
- Payment is due at the time of service or by arrangement with your eye care professional.
- This is not insurance, so there are no claims to file unless you have separate vision coverage.

The Aetna Vision discount program helps members save on:

- Eye exams
- Eyewear (lenses and frames)
- Accessories, including contact lens solutions and other supplies
- LASIK surgery. Call U.S. Laser Network Customer Service (1-800-422-6600)
- Replacement contact lenses. Call Contacts Direct Customer Service (1-800-391-5367)
