

All CaliforniaChoice[®] members are eligible for vision benefits through two great vision plans.

The **Vision One** Eyecare Discount Program from EyeMed offers discounts on frames, lenses, and eye examinations at any Sears, JCPenney, Target optical centers, LensCrafters, and participating Pearle Vision locations.

The **Voluntary Vision Plan** offers comprehensive vision insurance benefits and prescription eyewear through a vast network of doctors.

All CaliforniaChoice medical members and their dependents are eligible for immediate savings through Vision One or may enroll in the Voluntary Vision Plan (if the employer elects to offer).

FREE Vision One Eyecare Discount Program by EyeMed

Save up to 40% on your eyecare needs

Simply visit the participating provider closest to you and present your ValuePlus membership card, which verifies eligibility. Discounted prices are automatically calculated.

Save on Contact Lenses

To save on contact lenses, simply visit one of thousands of nationwide locations and save 15% off non-disposable contacts. You can also use the Contact Lens replacement program for additional savings and convenience. Details are available at www.eyemedcontacts.com or call 800.508.1399.

Vision One Features

- No claims to file
- No waiting for reimbursement
- Unlimited access

LASIK Surgery Discounts

With LASIK vision correction, millions of Americans have significantly reduced or eliminated their need for glasses or contact lenses. LASIK is an outpatient procedure that is virtually painless and provides near immediate results.

Both the Vision One Program and Voluntary Vision Plan make it possible for you to choose from a national network of over 450 qualified LASIK surgeons through the US Laser Network and receive 15% off retail pricing and 5% off promotional pricing.

For more information, call 877.552.7376.

Voluntary Vision Plan by EyeMed

Convenient Vision Care

When you enroll in the comprehensive Voluntary Vision Plan, you have a choice of retail optical locations and independent providers, making it convenient for you and your family to receive vision care. Regardless of where you live, you're virtually assured of nearby access to a selection of licensed optometrists.

How The Plan Works

After you enroll, you'll receive a brochure and ID card detailing your benefits. When using your benefits, simply go to a participating provider and present your Vision Care ID card to receive services and eyewear.

Voluntary Vision Plan Features

When you visit an in-network provider, there is:

- No claim to file
- No waiting for reimbursement

You may use your Voluntary Vision Plan benefits once every 12 months. Once you have exhausted your benefits, you will still receive applicable Vision Care discounts.

TIPS FOR USING YOUR VISION BENEFITS

Be sure to call the optometrist in advance to make an appointment and verify participation.

For location information, please call CaliforniaChoice Customer Service Center at 800.558.8003 or go to www.calchoice.com.
